

Privacy Policy

Give! shares your concerns about privacy. In order to better protect your privacy, Give! has provided this notice explaining online and other gathered information practices and how that information is used. We are committed to taking all reasonable steps to ensure the information provided to us is handled in a safe and secure manner. We value your support and are committed to protecting your privacy.

What information do we collect and how do we use it?

When you visit our site, we collect some non-identifying basic information. This includes total number of visitors, pages viewed, and other non-identifying information. We use this collective information to improve our site and to make your experience on our website as smooth as possible.

Donations made online to us are processed through a secure network connection. When you make a donation online, we ask for your name, address, daytime phone, email address, and credit card information. Birth year is optional and used only for young donor competitions. This information is processed securely. We use your credit card number and address to process your donation(s) and to verify credit card data. Your phone number is used to contact you if we need to verify your donation information. We use your email address to send your gift receipt, thank you and share the impact of your support. Your contact information is shared only with the participating nonprofits to which you donate, so they may thank you and communicate the impact of your support. Such addresses are not used for any other purpose and are not shared with outside parties. We do not use your phone number for telephone solicitations. You may opt out of communications other than your gift receipt by checking the "anonymous" box on your donation form.

If you're not completely comfortable submitting your credit card information online, please call our office at 719-577-4545 or e-mail give@indygive.com and we will be happy to help you in any way we can.

You can also mail your donation information to: Give!, 235 S Nevada Ave Colorado Springs, CO 80903.

Does Give! sell or share donor information & names with other organizations?

No. The only mailing list that your name will be added to is our own and the organizations to which you donate, unless you opt out by checking "anonymous". We do work with a third-party provider for mailers, but they are for our use only and are not shared with any other organization. From time to time, we may publish donor lists in our annual report and other publications, but do not list addresses or other contact information. If at any time you wish to have your name removed from our mailing list, or prefer not to have your name included in the publications, please contact us at 719-577-4545 or e-mail give@indygive.com and we will be happy to honor your request. It is the policy of Give! not to sell,

trade, or rent your personal information to anyone. Give! does not share your information with telemarketing centers. We do not use telephone marketing to solicit donations.

Can you make an anonymous donation?

Yes. You can send anonymous donations simply by sending a money order to us at the address above. If you do not give your name and address, however, we will be unable to send you a tax-deductible receipt. You may also send us a check or your credit card information and request your name be anonymous and not published. All donations not designated to participating nonprofits will be used to support and underwrite the overall campaign.

Can you opt out of mailing list and/or e-communications?

Yes. You may choose not to receive information from us electronically by simply checking the anonymous box provided on the donation form or by contacting Give! directly. We send e-marketing via a third-party provider and upon receipt of an "opt out" request, your name will be removed from future marketing communications. If you choose to no longer receive physical mailings from us, please contact us at 719-577-4545 or e-mail give@csindy.com. Upon receipt and processing of your request, we will remove your name and address and you will not receive solicitations, event invitations, or other mailed communications. Please note, we make every attempt to immediately remove your name from our mailing list, however, you may receive something after the request has been made due to the advance timing and planning of our direct mail outreach.
